

Transportation

What is Mobility Management?

- Increase understanding and awareness of community transportation needs and current transportation options and programs.
- Ensure that transportation considerations are included in local and regional planning activities.
- Increase local capacity for transportation services.
- Assist individuals with accessing all community transportation options.

What is Find A Ride?

- We offer transportation for individuals over the age of 60 or individual of any age with a disability.
- We help link any individual looking for transportation to their best community option.
- We request that you call at least 48 hours prior to your appointment when requesting a ride.
- If you require a reasonable accommodation due to a disability, please notify the transportation specialist when scheduling your ride.
