Transportation

What is Mobility Management?

- Increase understanding and awareness of community transportation needs.

- Increase awareness of current community transportation options and programs.

- Ensure that transportation considerations are included in local and regional planning activities.

- Increase local capacity for transportation services

- Assist individuals with accessing all community transportation options.

What is Find A Ride?

- We offer transportation for individuals over the age of 60, and for individuals with of any age with disabilities.

- We can help link any individual looking for help to the transportation option that is right for you.

- We request that you call at least 48 hours prior to your appointment when requesting a ride.

- We use contracted transportation companies to provide transportation services.

Call us for more information at 800-653-7723**!**
